

PVC and TPO Clad Metal Sheets

from Arvinyl

The Arvinyl Advantage

Arvinyl Laminates is a leading provider of PVC and TPO clad metal sheets to roofing fabricators, distributors, and suppliers.

As one of the original laminators of single-ply PVC and TPO roofing membranes, Arvinyl's lamination expertise enables us to manufacture quality material with an unmatched superior bond.

Arvinyl PVC and TPO clad metal sheets are available in galvanized steel, stainless steel, and aluminum.

- Laminates are "edge to edge"
- Weldability is compatible with national single-ply manufacturers
- Strict quality control manufacturing process ensures laminate consistency
- Sheets made from US manufactured 24 gauge galvanized metal
- Steel meets G90 designation and ASTM A653 specification
- West Coast location equals easy pickup and delivery
- Same day service for standard colors
- Volume discounts available
